

KlearSkin® for Acne-prone Skin

Containing four proven acne-fighting ingredients and five skin-loving vitamins, KlearSkin Clarifying Serum and Clarifying Moisturizer work together to reduce blemishes and improve skin tone without irritating or drying out the skin. The two go hand-in-hand, the serum penetrating to the deeper layers of skin to promote new collagen production and reduce inflammation, and the moisturizer working on the top layers to kill bacteria, draw spent skin cells out of clogged pores, and aid the skin's healing process. Expected results include a clearer complexion, less inflammation, and healthier, more radiant skin.

TYPES OF ACNE

KlearSkin Targets: Oil, Inflammation, Bacteria

KLEARSKIN's "Hit" List:

- Inflammation-reducing CBD
- Collagen-boosting peptides
- Hydrating hyaluronic acid
- Nourishing vitamins E, C, A
- CBD and vitamin E antioxidant protection
- Vitamin B3 brightening
- Tea tree oil, CBD, and glycolic acid acne control

HERO INGREDIENTS:

Palmitoyl TriPeptide-38 (Matrixyl Senhe'6™), a synthesis of six peptides that promote collagen production and skin healing, which aids the complexion by pushing oils and spent cells out of blocked pores.

Tea Tree Oil, a natural antibacterial that helps fight blemishes and acne.

Cannabidiol (CBD), an effective anti-inflammatory, antioxidant, and bacteria killer that has been shown to reduce oil buildup and inflammation in skin pores.

Argan Oil, rich in omega fatty acids essential to skin repair and regeneration.
