

Detailed Information for:

Azure Clarifying and Regenerating Serum, and
[Azure Intense Facial Moisturizer](#) (click to jump to it)

Azure Clarifying and Regenerating Serum has been specially formulated to lessen signs of aging and promote a clear, healthy, complexion. Azure absorbs quickly and penetrates deeply to deliver vital nutrients to the under layers of skin where they can address multiple skin care needs at once.

HOW TO USE:

After washing, apply Azure serum over clean, damp face and neck. The moisture will bind with the hyaluronic acid in Azure to hydrate the lower layers of skin more effectively. A little goes a long way. If you wash your face twice a day, 3 squirts should be enough.

Wait a few minutes, then follow up with Azure Facial Moisturizer to lock in nutrients and moisturize the skin.

TARGETS: Fine lines, wrinkles, dryness, uneven skin tone, blemishes, free radical cells.

BENEFITS: Smoother, softer skin, improved skin tone, clear complexion, protection against the buildup of free radical cells.

INGREDIENTS:

Hyaluronic Acid can hold up to 1000 times its weight in water and penetrates deeply to hydrate the skin, lock in moisture, and improve skin elasticity.

Aloe Leaf Juice has been used for centuries to soothe skin irritated by the sun and other factors.

Organic Jojoba Seed Oil is similar in chemistry to the skin's natural oils, making it perfect for every skin type, balancing oily skin, soothing sensitive skin, and hydrating dry skin.

Skin renews itself every 4-6 weeks depending on one's age. Vitamins, peptides, and other nutrients can help with this process.

Palmitoyl TriPeptide-38 is a synthesis of six peptides that stimulate collagen production and skin healing to help smooth out skin and improve the complexion by pushing oils and spent cells out of blocked pores.

Vitamin E works to regenerate, heal, moisturize, and protect the skin.

Organic Tea Tree Oil, a natural anti-bacterial and anti-inflammatory that helps fight blemishes and new skin breakouts.

Green Tea Extract, an enzyme with anti-inflammatory effects that can help shrink the appearance of pores, resulting in even skin tone and less visible redness and blotchiness.

White Willow Bark Extract is a BHA containing salicylic acid, a natural exfoliant used in acne treatments because of its ability to shed spent skin cells and promote new collagen formation.

COMPLETE INGREDIENT LIST:

Organic Aloe Leaf Juice, Organic Alcohol, DMAE Bitartrate, Organic Jojoba Seed Oil, Emulsifying Wax, Palmitoyl Tripeptide-38 (Matrixyl Senthe'6™), Organic Argan Oil, Glycerin, MSM, Organic Rooibos Leaf Extract, Hyaluronic Acid, Organic Green Tea Leaf Extract, Organic White Tea Leaf Extract, Organic White Willow Bark Extract, Vitamin E, Sunflower Seed Oil, Organic Tea Tree Oil, Vitamin B3, Xanthan Gum, Hydroxypropyl Cyclodextrin, Organic Lavender Oil

***certified organic ingredients 81%**

COA for ORGANIC INGREDIENTS:

GreenSky keeps COAs on file for all organic ingredients used in its products and provides them to agencies such as Leaping Bunny for certification purposes.

BATCH INFO FOR THIS PRODUCT:

Batch Date: 0062519

Quantity Produced: 200

Expiration: 06-25-20

Product ID: 0062519-003

Product SKU: S-APHA

UPC: 860000962605

SPECIFICATIONS:

Azure serum comes in a 1 oz (30 ml) airless bottle (for a list of the advantages of airless bottles, click [here](#)). Each squirt of the pump emits .2ml serum. An average application is .6-1ml (3-5 squirts). Azure is vegan, non-GMO, and Leaping bunny approved.

WARRANTY:

GreenSky products carry an unconditional quality guarantee and limited warranty. The unconditional quality guarantee protects the buyer from quality issues such as product purity or airless bottle functionality. Quality issues, if they arise, will be taken care of ASAP at no cost to the buyer. GreenSky's limited warranty allows returns of unopened product (tamper seal intact) within 30 days of purchase for a full credit less shipping, and for product that has been opened and slightly used within 30 days of purchase, a full credit less shipping, that can be used against the purchase of another product on GreenSky's website.

STORAGE: Keep in a cool, dry place away from direct sunlight.

Azure Intense Facial Moisturizer has been formulated to work in tandem with Azure Clarifying Serum to reduce fine lines and wrinkles, promote collagen production, and counter the buildup of free radical cells that accumulate over time.

HOW TO USE:

After washing, apply Azure over clean, damp face and neck. The moisture will bind with the hyaluronic acid to hydrate the lower layers of skin. A little goes a long way. Adjust the amount you use

according to how dry your skin is and how often you wash your face. If you wash your face twice a day, 3 squirts should be enough.

TARGETS: Fine lines, wrinkles, dryness, blemishes, uneven skin tone, free radical cells

BENEFITS: Smoother, softer skin, improved skin tone, protection against free radicals

INGREDIENTS:

Hyaluronic Acid is famous for its ability to hold a lot of water, thereby plumping up the skin. Azure contains low molecular weight (fragmented) hyaluronic acid, which penetrates deeply to hydrate the lower layers of skin.

Aloe Leaf Juice has been used for centuries to soothe skin irritated by the sun and other factors.

Organic Coconut Oil is chock-full of nutrients and serves as an emollient to minimize water loss and protect the skin from external factors like sun, smoke, and pollution.

Palmitoyl TriPeptide-38 (Matrixyl Senthe'6™) is a synthesis of six peptides that promote collagen production and skin healing to help smooth out skin and improve the complexion by pushing oils and spent cells out of blocked pores.

Vitamin E is a time-honored agent for skin healing, as well as a respected antioxidant.

Hyaluronic Acid, besides hydrating the skin, also works to promote collagen production and skin healing.

Organic Tea Tree Oil is a natural anti-bacterial and anti-inflammatory that helps fight blemishes and new skin breakouts.

Organic Green Tea Extract contains a potent antioxidant called EGCG, which combats signs of aging and fights against infection.

Organic Alcohol, contrary to what some people might believe, does not dry out the skin when used moderately with an effective moisturizing agent. A real plus to organic alcohol is that its low molecular weight enables it to create temporary microscopic openings in the lipid layer, helping hyaluronic acid, peptides, and vitamins penetrate to the under layers of skin where they can be more effective.

COMPLETE INGREDIENT LIST:

Organic Aloe Leaf Juice, Organic Coconut Oil, Organic Alcohol, Cetearyl Oliviate, Sorbitan Oliviate, Cetyl Palmitate, Sorbitan Palmitate, Palmitoyl Tripeptide-38, Organic Olive Fruit Oil, Hyaluronic Acid, Cannabidiol, Organic Green Tea Leaf Extract, Stearic Acid, Organic Tea Tree Oil, Vitamin E, Organic Pomegranate Seed Extract, Xanthan Gum, Organic Lavender Oil
