

Detailed Information for:

KlearSkin Clarifying Moisturizer

KlearSkin Clarifying Moisturizer uses natural ingredients to fight acne without irritating or drying out the skin. KlearSkin's complexion-loving ingredients include CBD, organic tea tree oil, peptides, and argan oil.

TARGETS: Dry skin, uneven skin tone, fine lines, wrinkles, inflammation, free radicals.

BENEFITS: Clearer complexion, smoother, softer skin, improved skin tone, reduced inflammation, added protection against free radical cells

HOW TO USE:

Use KlearSkin Clarifying Moisturizer after washing your face and applying KlearSkin Clarifying Serum. A serum and a moisturizer go hand-in-hand, the serum penetrating to the deeper layers of skin to effectively hydrate, promote new collagen production, and reduce inflammation, and the moisturizer working on the top layers to reduce fine lines and wrinkles, improve skin elasticity, and protect the skin from external factors including sun, smoke, and pollution.

Adjust the amount you use according to how dry your skin is and how often you wash your face. If you wash your face twice a day, 2-3 squirts should be enough.

Washing, nighttime

- Wash your face thoroughly with lukewarm water and a gentle cleanser.
- If you have oily spots, consider using a toner with a cotton pad or ball, focusing on problem areas.
- Apply KlearSkin serum over a damp face. Use a spritzer to add a layer of water or just sprinkle it on. The hyaluronic acid in KlearSkin bonds with the water to hydrate the lower layers of skin.
- Apply KlearSkin Clarifying Moisturizer over a damp face for the same reason—more where you need it, less where you don't.

Daytime, same as above plus:

- Apply a sunscreen after the moisturizer, as needed.
- (optional) Apply primer to lock in the moisturizer and help makeup last longer.
- Apply makeup, if applicable.

INGREDIENTS:

Hyaluronic Acid is a popular skincare ingredient because of its ability to hold up to 1000 times its weight in water. KlearSkin Clarifying Moisturizer contains low molecular weight (fragmented) hyaluronic acid that penetrates more deeply to effectively hydrate the skin.

Argan Oil from Morocco is one of the finest oils in skin care, chock-full of vitamin E and essential fatty acids, yet with a comedogenic score of zero, meaning it will absolutely not clog pores. Argan oil is known for its ability to soothe and repair damaged skin.

Aloe Leaf Juice is a humectant and moisturizer used in many skin care products to soothe irritated skin.

Organic Coconut Oil is an ultra-moisturizing oil high in lauric acid, with antimicrobial properties that destroy *P. acnes*, *S. aureus*, and other skin bacteria known to cause skin breakouts.

Palmitoyl TriPeptide-38 (Matrixyl Senthe'6™) is a synthesis of six peptides that promote collagen

production and skin healing, which can improve the complexion by pushing oils and spent cells out of blocked pores.

Vitamin E is a time-honored antioxidant that promotes skin healing.

CBD is an anti-inflammatory, bacteria killer, and antioxidant that has been shown to reduce the flow of sebum from the skin's sebaceous glands, reducing oil buildup and inflammation in skin pores. (See research studies at the end of this document).

COMPLETE INGREDIENT LIST:

Organic Aloe Leaf Juice, Organic Coconut Oil, Organic Alcohol, Cetearyl Oliviate, Sorbitan Oliviate, Cetyl Palmitate, Sorbitan Palmitate, Palmitoyl Tripeptide-38, Organic Argan Oil, Organic Olive Fruit Oil, Organic Tea Tree Oil, Hyaluronic Acid, Cannabidiol, Organic Green Tea Leaf Extract, Vitamin E, Organic Pomegranate Seed Extract, Stearic Acid, Xanthan Gum, Organic Lavender Oil

Certified Organic Ingredients: 82%

Note: Cetearyl Olivat, Sorbitan Olivat, Cetyl Palmitate, and Sorbitan Palmitate are PEG-free hypoallergenic emulsifiers that help prevent skin water loss. Together they form a cutting-edge emulsifying system that meets the Whole Foods Premium Body Care Quality Standards and are approved for use in products certified by the Natural Products Association as made with the “organic” standard.

STORAGE: Keep in a cool, dry place away from children, pets, and direct sunlight.

COA for ORGANIC INGREDIENTS:

GreenSky keeps COAs on file for certified organic ingredients used in its products and provides them to agencies such as Leaping Bunny for certification purposes.

BATCH INFO FOR THIS PRODUCT:

Batch Date: 062019

Quantity Produced: 250

Expiration: 12-20-20

Product ID: 0062019-005

Product SKU: M-K250PHA

UPC: 860000962667

PRODUCT SPECIFICATIONS:

1. Each airless bottle of KlearSkin Clarifying Moisturizer contains 1.7 oz (50 ml) of moisturizing cream (for a list of the advantages of airless bottles, click [here](#))
2. Each 1.7 oz bottle contains 250mg active CBD from industrial hemp, with zero THC.
3. Each squirt of the pump releases .2ml of moisturizer containing 1mg CBD
4. An average application is .6ml, or 3 squirts, containing 3mg of CBD.
5. KlearSkin is vegan, non-GMO, and Leaping bunny approved cruelty-free.

WARRANTY:

GreenSky products carry an unconditional quality guarantee and limited warranty. The unconditional quality guarantee protects the buyer from quality issues such as product purity or airless bottle functionality. Quality issues, if they arise, will be taken care of ASAP at no cost to the buyer.

GreenSky's limited warranty allows returns of unopened product (tamper seal intact) within 30 days of purchase for a full credit less shipping, and for product that has been opened and slightly used

within 30 days of purchase a full credit less shipping, that can be used against the purchase of another product on GreenSky's website.
