

Detailed Information for:

OASIS Intense Facial Moisturizer

Formulated for mature skin to effectively moisturize, reduce fine lines and wrinkles, and counter the damaging effects of free radical cells, Oasis Intense Facial Moisturizer is 100% vegan, 82% certified organic, and Leaping Bunny approved cruelty-free.

TARGETS: Fine lines, wrinkles, dryness, inflammation, blemishes, uneven skin tone, free radicals.

BENEFITS: Smoother, softer skin, improved skin tone, and longer-term benefits relating to the reduction of free radical cells.

HOW TO USE: Ideally, apply OASIS after applying LUMINA Anti-aging Serum. A serum and a moisturizer go hand-in-hand, the serum penetrating to the deeper layers of skin to effectively hydrate, promote new collagen production, and reduce inflammation, and the moisturizer working on the top layers to reduce fine lines and wrinkles, improve skin elasticity, and protect the skin from external factors including sun, smoke, and pollution.

After washing, apply OASIS over clean, damp face and neck. Spritz your skin if necessary. The hyaluronic acid in OASIS can absorb up to 1000 times its weight in water and needs moisture to bond with, especially if you're living in a dry climate where there is little moisture in the air. Adjust the amount of OASIS you use according to how dry your skin is and how often you wash your face. If you wash twice a day, 3 squirts should be enough.

INGREDIENTS:

Hyaluronic Acid is a popular skincare ingredient because of its ability to hold up to 1000 times its weight in water. OASIS contains Low Molecular Weight (fragmented) hyaluronic acid that penetrates to the under layers of skin where it can be more effective.

Organic Argan Oil from Morocco is one of skin care's finest oils, rich in vitamin E and essential fatty acids that help soothe and regenerate skin, yet with a comedogenic score of zero, meaning it will absolutely not clog pores.

Organic Coconut Oil is a nourishing emollient that helps strengthen the lipid barrier and protect the skin from environmental factors such as sun, smoke, and pollution.

Skin regenerates itself every 4-6 weeks depending on one's age. OASIS contains peptides, fragmented hyaluronic acid, and vitamins to promote this process and help skin look its best.

Palmitoyl TriPeptide-38 (Matrixyl Senthe'6) is a synthesis of six peptides that promote collagen production and skin healing, which in turn smooth out wrinkles and fine lines.

Vitamin E is a time-honored agent for healthy skin.

CBD is important to the skin because it's a powerful antioxidant that combats the buildup of free radical cells that if left unchecked can manifest themselves over time as brown spots and irregular skin

color. CBD is also an effective anti-inflammatory and in this role can help reduce swelling and redness.

COMPLETE INGREDIENT LIST:

Organic Aloe Leaf Juice, Organic Coconut Oil, Organic Alcohol, Cetearyl Oliviate, Sorbitan Oliviate, Cetyl Palmitate, Sorbitan Palmitate, Palmitoyl Tripeptide-38 (Matrixyl Senthe'6), Organic Argan Oil, Organic Olive Fruit Oil, Organic Tea Tree Oil, Hyaluronic Acid, Cannabidiol, Organic Green Tea Leaf Extract, Vitamin E, Organic Pomegranate Seed Extract, Stearic Acid, Xanthan Gum, Organic Rose Otto Oil

Certified Organic Ingredients: 82%

Note: Cetearyl Oliviate, Sorbitan Oliviate, Cetyl Palmitate, and Sorbitan Palmitate are PEG-free hypoallergenic emulsifiers that help prevent skin water loss. Together they form a cutting-edge emulsifying system that meets Whole Foods Premium Body Care Quality Standards and is approved for use in by the Natural Products Association in products certified with the "organic" standard.

STORAGE: Keep in a cool, dry place away from children, pets, and direct sunlight.

COA for ORGANIC INGREDIENTS:

GreenSky keeps COAs on file for all organic ingredients used in its products and provides them to agencies such as Leaping Bunny for certification purposes.

BATCH INFO FOR THIS PRODUCT:

Batch Date: 07-25-19

Quantity Produced: 250

Expiration: 01-25-21

Product ID: 0072519-009

Product SKU: M-O150PHA

UPC: 860000962643

PRODUCT SPECIFICATIONS:

1. Each airless bottle of Oasis Intense Facial Moisturizer (OASIS) contains 1.7 fl oz (50 mL) of moisturizing cream (for a list of the advantages of airless bottles, click [here](#)).
2. Each 1.7 oz bottle contains 150mg active CBD from industrial hemp, with zero THC.
3. Each squirt of the pump releases .2ml of moisturizer.
4. An average application is .6ml, or 3 squirts, containing 2mg active CBD.

WARRANTY:

GreenSky products carry an unconditional quality guarantee and limited warranty. The unconditional quality guarantee protects the buyer from quality issues such as product purity or airless bottle functionality. Quality issues, if they arise, will be taken care of immediately at no cost to the buyer. GreenSky's limited warranty allows returns of unopened product (tamper seal intact) within 30

days of purchase for a full credit less shipping, and for product that has been opened and slightly used within 30 days of purchase, a full credit less shipping, that can be used against the purchase of another product on GreenSky's website.
