

Detailed Information for:  
**Restore Skin Balm Oil**

Restore Skin Balm Oil absorbs quickly and deeply with no oily residue to protect and soothe troubled skin. Containing an impressive mix of organic oils and 1000mg of active CBD, Restore contains no waxes or fillers that clog pores and inhibit absorption. Made from 94% certified organic ingredients.

**TARGETS:** Dry skin, redness and inflammation, joint pain, bruising, itch, sore muscles.

**BENEFITS:** Relief from redness, itch, inflammation, and joint pain, and faster healing of cuts and bruises.

**HOW TO USE:**

Apply Restore as a spot treatment to troubled skin and allow to soak in. For more serious skin conditions, apply liberally and repeat as necessary.

**INGREDIENTS:**

**CBD** has demonstrated its prowess as an antioxidant and anti-inflammatory capable of treating many skin and joint issues (see Research Studies at the end of this document).

**Argan Oil** from Morocco is one of the world's finest oils, chock-full of vitamin E and essential fatty acids (omega-3-6-9) essential to skin repair and regeneration, yet with a comedogenic score of zero,

meaning it will absolutely not clog pores. Argan oil is known for its effectiveness at repairing damaged skin.

**Jojoba Oil** is a natural, time-honored skin moisturizer that is gentle and non-irritating, making it perfect for every skin type, balancing oily skin, soothing sensitive skin, and hydrating dry skin.

**Coconut Oil** strengthens the skin's moisture barrier and fends against the harmful effects of sun, smoke, and pollution.

### **COMPLETE INGREDIENT LIST:**
